What can you win?

The 24 pictures with the highest score are featured in the EFNMS photobook. The picture with the most points receives €800, the second best €400 and third place receives €200.

The scores for the pictures are based on points awarded by the jury of EFNMS and on the number of votes casted by the general public. The general public can [vote on favourite pictures](#) between July 11th and August 15th 2020. The popular votes count for 30% in the total score. The points of EFNMS jury count for 70%. The winners and selected pictures are announced on September 1st 2020.

How to participate in the contest?

1. Take a picture that perfectly illustrates the impact, added value and importance of maintenance.
2. Go to www.maintenance.photo
3. Enter the contest and upload the picture before 23h59 on July 10th 2020.

Participation is free. You can enter as many photos as you like. The deadline is **July 10th 2020**. You can [check the detailed contest rules here](#).
